B. Reports and Communication

A. Christmas Parade

Sheila-The City heads up the Christmas parade the day after Thanksgiving. We have had Santa for the kids and handed out hot cocoa and popcorn balls to everyone

Discussion by Council took place. Council feels that we are now in more danger with the upswing in COVID-19 cases and that they have set a precedence already and plan to follow this. There will be no Christmas Parade due to Covid-19.

Council did discuss different options such as a Christmas light decorating contest with a map for people who want to look at the lights. Suggestions were made as to asking the STC if they would like to partner with the City on this.

- Shiner-Bio is written, and picture taken for the new website, Kim reminded the other council members to please get theirs in
