3. Water & Sewer Bills on Taxes

Manager Aldrich Memo. Our charter indicates that water bills are a lien on the property they serve. Each year per ordinance we assess our receivables and send letters to the renters and owners stating the amount that is delinquent that will be placed upon the tax bill. They are given time to make the payment.

The attached list includes the billings that are scheduled to be placed on the upcoming tax bill of the parcel owner. Some of these owners will most likely come in and pay the billing prior to it being placed on the taxes. Those remaining unpaid will be placed on the July tax bill.

Moved by Councilmember Hollister, seconded by Councilmember Walker

APPROVE to add any outstanding water bills required by ordinance to be put on the tax bills as presented.
