2. Request for Mobile Food Vendor on City Property.

Manager Aldrich Memo. Please find attached the application from Toby Smith to run a food wagon on City Property. Mr. Smith is aware that he needs to meet health department requirements and get a vendor's license. Mr. Smith has been at the last Council meeting to explain his operation and the locations he would like to serve.

I just spoke with Mr. Smith, and he is almost ready building his wagon and completing the permit process. Also, since that meeting Mr. Smith has spoken with Director Golat about locations to assure that we aren't creating a vision or traffic safety issue. Mr. Smith would now like final approval to proceed with his project.

**Moved by Councilmember Walker, seconded by Councilmember Shiner**

**APPROVE to allow Toby's Doghouse to operate in city limits in accordance with appropriate permits from health department and oversight from Public Safety as presented.**

6. Request for Car Show.

Manager Aldrich Memo. Please find attached a car show brochure that was brought in to City hall. Brian from the committee will be at the Council meeting to ask for Council permission to close the streets for the car show event. Brian will also be submitting the application and meeting with us at the City to determine what they need from us for set-up, safety, and take down. DPW will be bringing barricades, picnic tables, garbage cans, hanging flags, and more to help with the event.

Brian Hubble was at the meeting to talk about the Car Show Event. The Car show parade will take place on Friday August 31st and will start by the BP down Chippewa through the downtown and disperse from the funeral home.

**Moved by Councilmember Hollister, seconded by Councilmember Shiner**

7. Eagle Scout Project – Matthew Wood.

Manager Aldrich Memo. Matthew Wood is working on his Eagle Scout project. What Matt would like to do is build four life-saving stations to place along the beach close to the Range Street parking and close to the campground. Please find copies of Matt's idea attached.

Matt has been working on his idea and has run it by Director Golat. Matt will be at the meeting to garner Council approval. Director Golat will also address the placement of the stations that he and Matt have discussed.

Matthew was at the meeting to discuss the project with Council. His project includes 2 water safety stations, and would like to place them down by the boardwalk. These stations would be built with lumber and be about 5 feet high and 3 foot wide. The prices for these stations are \$400.00 a piece. The units he plans on building would be temporary so they could be removed during the winter. He hopes to have these complete by October 1<sup>st</sup>.

**Moved by Councilmember Hollister, seconded by Councilmember Shiner**

**APPROVE the Eagle Scout Life Saving Project and have the City contribute \$800.00 to fund the two life saving stations as presented.**

Discussion.

**Yes – Councilmembers Hollister, Shiner, Walker, Perilloux**  
**No – None**  
**Absent-Rohde**

8. Public Hearing – USDA Grant Request for Cardiac Monitor

Director Golat Memo. The Manistique Public Safety Department has applied for a United States Department of Agriculture Rural Development Grant in the amount of \$7,000.00 for the purchase of three (3) new Cardiac Monitor-Defibrillators which will be used in our Advanced Life Support ambulances. The total amount of this expenditure for this project is \$85,795.00 with the City's match being \$38,795.00.

This grant is being sought to replace three of the Department's aged and out of date Cardiac Monitor-Defibrillators which are currently being used by our paramedics and other EMS staff. This has been a need over the past several years but we have not been able to accomplish this due to budget concerns and this particular USDA grant opportunity just became available early this summer. With the purchase of this new equipment, we will be able to avoid costly repairs to the old units and will be able to meet the new medical protocols and requirements mandated by the Michigan Bureau of EMS, Trauma, and Preparedness which are effective October 1, 2018.

As previously stated, this is a unique opportunity to obtain this extremely expensive equipment which is now an achievable goal with USDA grant assistance. It is my intention to match this grant with ambulance budget funds accompanied by an available payment plan by the equipment vendor. It is a requirement of the USDA grant program that the City hold a public hearing on this grant request, and therefore, I have given public notification and have placed this item on the agenda for the regular Manistique City Council meeting scheduled for August 13, 2018.

Public Hearing Open at 7:40 PM

Public Hearing Closed at 7:45 PM

There were no citizen comments.

**Moved by Councilmember Hollister, seconded by Councilmember Walker**

**APPROVE Director Golat to proceed with the USDA Grant Request as presented.**

Discussion.

**Yes – Councilmembers Hollister, Walker, Shiner, Perilloux**

**No – None**

**Absent-Rohde**

9. Manistique Congregation

David Possner and Gary Herro were at the meeting to request holding a public witnessing campaign cart down by the boardwalk or somewhere in the City limits. They are hoping to set up the cart twice a week for six hours a day. This cart allows people to grab information from the cart without being approached by anyone, but there will be someone nearby in case anyone has any questions.

There was no Council support at this time.

10. Citizen Comments

Melody Wagner, Republican Party Candidate for State Representative. Melody came to the meeting to introduce herself to Council.

C. Reports and Communications
