No-None**

- C. New Business

- 1. Citizen Comments

Floor was open at 7:05 p.m.

There were no citizen comments.

- 2. Covid Results Presentation.

Water/Wastewater superintendent Corey Barr introduced Michelle Jarvie from LSSU who would like to update Council on Covid results that the plant has been collecting for studies. She was the lead scientist on the project that is a surveillance on numbers statewide. She came to explain more in depth to council the process and explaining our local results.

- 3. Update from Water/Wastewater: Sewer/Water Plants, Fifth Street Corner Old Flowing Well.

Corey explained to Council that there have been ongoing issues at both water and wastewater plant. Corey presented to council his concerns and his solutions for these issues. He explained how diligently he has been working on these issues. He updated council on the ongoing solution to the old flowing well on the fifth street corner. He stressed not using disposable wipes and the damage they are causing to our sewer systems. He updated everyone on the process and where we are at in the solution. He stated that we have well drillers involved and that it sits on MDOTS property.

- 4. Marketing for City Manager Position

Council Member Perilloux presented prices of the local papers to get word of mouth out for the open position. He was hoping to get council's approval on a cost they would like to spend on these ads.

Moved by Councilmember Ecclesine, Seconded by Councilmember Rohde

Discussion

APPROVE the advertising package to not exceed \$3000.00 and Councilmember Perilloux to move forward.
